7. What is the importance of disclosure that I should be aware of?

Consumer Insurance Contract

Where you have applied for this insurance wholly for purposes unrelated to your trade, business or profession, you had a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you applied for this insurance) i.e. you should have answered the questions fully and accurately. Failure to have taken reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance in accordance with Schedule 9 of the Financial Services Act 2013. You were also required to disclose any other matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

Non-Consumer Insurance Contract

Where you have applied for this insurance for purposes related to your trade, business or profession, you had a duty to disclose any matter that you knew to be relevant to our decision in accepting the risks and determining the rates and terms to be applied, and any matter a reasonable person in the circumstances could be expected to know to be relevant; otherwise, it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of term(s) or termination of your contract of insurance.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us, any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

8. At what value should I insure my vehicle?

You need to insure your vehicle based on the market value of your vehicle at the point you apply for the motor insurance policy. This value is also called Sum Insured of your vehicle in your motor policy.

9. Why should I choose your recommended sum insured as the policy sum insured?

The recommended sum insured is derived from an approved Market Valuation System and it is used as a guide to recommend your vehicle's sum insured when you purchase this insurance.

10. What is an "Agreed Value" Policy?

In the event of total loss or theft, the maximum amount that we will pay is up to the sum insured as shown in the policy schedule.

11. What is a “Market Value” Policy?

In the event of total loss or theft, the maximum amount that we will pay is up to the market value of the vehicle which will be determined at the time of loss or the sum insured as shown in the policy schedule; whichever is lesser.

It is important to insure your vehicle with the appropriate market value. Below are the effects of over-insurance and under-insurance when an incident happens and giving rise to a claim:

- Over-insurance: When a claim arises, the maximum amount that we will pay you is up to the market value of your vehicle even if your vehicle’s sum insured is higher than the market value.
- Under-insurance: When a claim arises, we will only bear part of the loss in proportion to the difference between the market value and the sum insured. The balance has to be borne by you if the under-insured amount is more than 10% of the market value.

12. What are the major exclusions under this policy?

This policy does not cover certain losses, such as:

- Your own death or bodily injury due to a motor accident;
- Your liability against claims from passengers in your vehicle;
- Loss, damage or liability arising from convulsions of nature, i.e. flood, storm or landslide; and
- Consequential losses, depreciation, wear and tear, mechanical or electrical breakdown failures or breakages.

Note: This list is non-exhaustive. Please refer to the policy wording for the full list of exclusions under this policy.

13. Can I cancel my policy?

You may cancel your policy at any time by giving written notice to us. Upon cancellation, you are entitled to a refund of the premium based on short-period rates, where any minimum premium paid under the policy is not refundable.

14. What do I need to do if there are changes to my contact details?

It is important that you inform us of any change in your contact details to ensure that all correspondences reach you in a timely manner.

15. What should you know when making a claim?

- Report to the police within 24 hours upon accident.
- Notify us in writing with full details within 7 days after an event which may become the subject of a claim under this policy and complete the claim form in full and return it to us with the related documents within 21 days from your notification’s date.
